CIRCULAR

Sub: - B.I.E., A.P- ERTW - NDD- Program proceedings for successful execution of National Deworming Day on 09-02-2024 - reg.

Ref:- Note orders of the Secretary, B.I.E.,A.P on File No: ESE51-14/31/2023-ERTW SEC-

BIE Dated: 03/02/2024

@@@@@

With reference to the subject cited, it is to inform that, the Andhra Pradesh state with the coordination of National Health Mission planned to conduct National Deworming Day in all Junior Colleges along with Anganwadi centers, Schools, ITI s, Polytechnic and Degree Colleges for the children in the age group of 1 to 19 years on 09-02-2024 (Friday) in all 26 Districts in the state.

In view of the above, it is informed that, the Health Department has initiated drug procurement for 1 crore 32 lakh Albendazole 400mg (Chewable) tablets. The distribution of these tablets will be done at MPDO office in the mandal concerned and all the Principals of all managements shall collect the same from the respective MPDO offices on 07-02-2024 (Wednesday) without fail.

Further the following instructions should be followed scrupulously till the completion and submission of the data to the district collectors.

A. The Principals of all managements of Junior Colleges shall collect the Albendazole 400mg (Chewable) tablets from MPDO office on 07-02-2024 (Wednesday) by giving student indent to them. The tablets should be collected on the basis of student strength.

B. The Principals of all managements of Junior Colleges are instructed to give wide publicity on the usage and importance of using these tablets to the students and parents during the assembly

C. They are also instructed to make availability of liquid soap at wash rooms and proper maintenance of toilets with water and flushing systems.

D. The Principals should specifically instruct the students to bring lunch boxes on 09-02-2024 (Friday) without fail as these Albendazole Tablets should be chewed only after

having meals.

E. Those students who are having health issues or have conducted long journeys during previous 3 days, should be carefully identified and not be given these Albendazole Tablets. These students may be given the Albendazole tablets exactly after 1 week (16-02-2024), i.e., on MOP UP DAY.

F. The RJDs, DVEOS/DIEOS and RIOs shall monitor the National Deworming Day program on 09-02-2024 (Friday) for successful execution and acknowledge the receipt for further correspondence.

G.The Principals have to submit the report on the conduct of NDD to the RIOs and the same shall be sent to the District Collector by the concerned RIOs .

Yours faithfully

Saurabh Gaur las
